## EVERY MINUTE COUNTS @ GCHS

| Perfect Attendance = 0 Days Absent | 100\% | Student has every possible opportunity for success |
| :---: | :---: | :---: |
| Excellent Attendance $=2$ Days Absent | (9) \% | Student has almost every opportunity for success |
| Average Attendance = 3 Days Absent | (20) | Student has most opportunities for success |
| Attendance Concern $=5$ Days Absent = 1 School Week | 9) 70 | Student has missed opportunities; difficult to make progress |
| Serious Absenteeism = 10 Days Absent = $\mathbf{2}$ School Weeks | 94\% | Detrimental to success; failure becomes an option |

## How do tardies affect student success

 for the school year?5 minutes late to class / day = 2.5 days lost 10 minutes late to class/ day = 5 days lost 15 minutes late to class/ day $=7.5$ days lost 20 minutes late to class/ day $=10$ days lost 30 minutes late to class/ day $=15$ days lost

IF we want our students to succeed at school, being absent or late to class does matter!
